Christmas Gifts for Cat Lovers!

Yes, it's coming...

Christmas isn't that far away so we've done the hard work for you and found some lovely gifts and websites for cat inspired gifts. You just need to leave this lying about as a hint...

Try visiting www.thecatgallery.co.uk for a range of lovely, cat inspired gifts—ranging from calendars to jewelry or an exclusive “crazy cat lady game”

which guarantees fun for the whole family. I quite like their “cat nap” handbag...

For gifts inspired by our favourite cartoon cat, try the shop at www.simonscat.co.uk for their latest range

of mugs, books, cards and now a very cute simons cat cushion! There's also umbrellas and a cat bowl desk tidy.

For the foodies amongst you, try

www.pedigreecharm.co.uk for cat shaped pasta, or www.madaboutcats.com for a range of cat inspired kitchen accessories. They also do a range of cat clothing—ties, socks and scarves to name but a few!

And once your shopping is complete, visit www.samburu.com for some kitten wrapping paper to wrap it all up in!

Christmas Availability Filling Up Fast!

Just a reminder that if you are away over Christmas or New Year, and need kitty looking after, please get in touch with us now! We are already

getting busy and always try to give priority to existing clients - however we are already getting bookings from new clients too and would

hate to have to turn any of you away. Even if they are just rough dates, please drop us an email and we'll get you in the diary...

Website www.zooplus.co.uk has some good money saving offers on now, with free delivery on all orders over £19 as well as various free gifts with your purchase. Examples include 10kg bags of Royal Canin at reduced prices, plus a free 400g bag of food too!

There are also some good offers on cat beds—for example a deluxe radiator hanging bed (heaven for most kitties!) is reduced to only £9.90 from £19.90, and a cat tree scratching post with hanging balls to play with is reduced from £22.90 to only £14.99.

Plus, currently showing on their website is a 5% discount coupon, simply for being a new customer...

What do cats use to make coffee? A Purrrrrolator!

What do you call a cat that lives in an igloo? An Eskimew!

Why did the cat put oil on the mouse? Because it squeaked!
